*We understand the extreme demands you and nature put on your sled. Mystik<sup>®</sup> Lubricants are proven winners in the longest snowmobile race in the world across some of the most remote and rugged terrain in the harshest winter conditions. Mystik JT-4<sup>®</sup> Synthetic snowmobile engine oils are specifically formulated with a special synthetic additive system for superior protection and quick starts in intensely cold conditions. And provide a level of performance that far exceeds snowmobile engine oil requirements. So go ahead and push the limits with Mystik JT-4 Synthetic 4-cycle 0W-40 and 2-cycle snowmobile engine oils and Mystik JT-6<sup>®</sup> Synthetic Blend Grease. Mystik is ready for whatever punishment you and Mother Nature have to offer.*
