

KRESTA FARMS TRUSTS MYSTIK LUBRICANTS FOR OVER THREE GENERATIONS

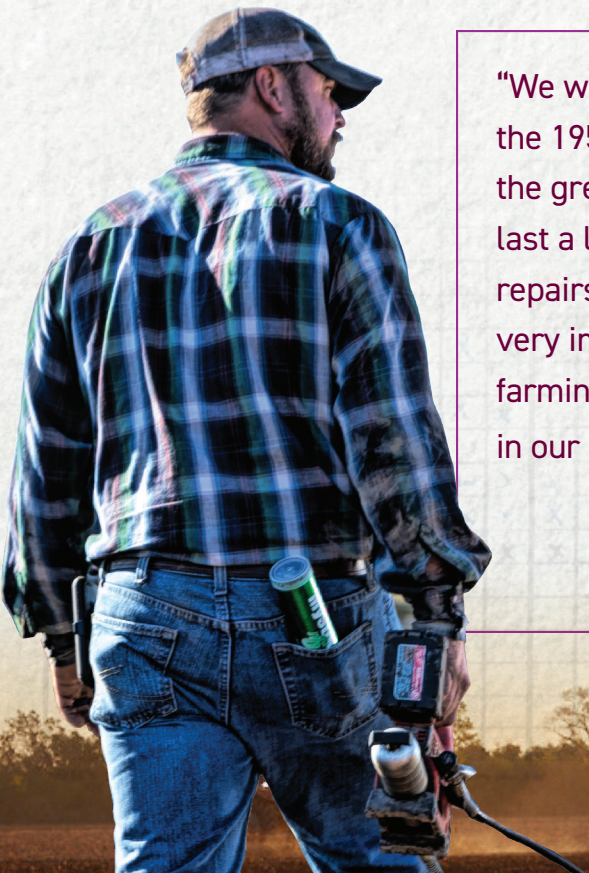

Kresta Farms is a family-run farming operation that cultivates corn, cotton, soybeans, and various grains, while also operating a thriving commercial cattle business. They have trusted Mystik Lubricants for over three generations to extend their equipment life and reduce downtime so they can keep their farm going year-round.

Mystik Lubricants has a wide range of products that are specifically formulated for tractors, fertilizer equipment, UTVs, trucks, cotton pickers and many more agricultural equipment so they can run smoothly and efficiently no matter the season or conditions.

"We were introduced to Mystik in the 1950s and we found out that the grease and oil for our tractors last a lot longer without any repairs. Mystik Lubricants plays a very important role in keeping our farming operation going particularly in our heavy equipment."

KRESTA FARM PROFILE:

- Established in the 1930s
- Located in Wharton County, Texas
- Equipment and vehicles used include tractors, fertilizer equipment, forklifts, UTVs, trucks, combine harvesters, cotton pickers and more

"Whenever Mystik offers a product for a specific application, we use it. Mystik has been so reliable for so many generations for us and offers me peace of mind. And I don't use Mystik because my dad and my grandfather used Mystik, I use it because it proves itself every day on my farm."

Keith Kresta
Owner, Kresta Farms
